

Checklist/Steps for Subdivision Development

1. Ensure your location is within Lyntegar Electric Cooperative service boundaries
2. Contact Lyntegar Electric Cooperative
 - a. come by our main branch office located at 1701 US-87 Frontage Rd in Tahoka
 - b. call 806-561-4588
3. Provide all necessary documents for our system engineer to design and approve
 - a. final plat of survey with subdivision development name, numbered lots, and legal description
 - b. shapefile(s) with GPS coordinates
4. Sign a Lyntegar Electric Cooperative easement and right-of-way form for the mainline before lots are sold
 - a. if lots are sold prior to signing the easement, there will be an additional \$200 charge per lot
5. Schedule an on-site meeting with the field engineer to design new service
 - a. after the field engineer meeting, we will provide you with a cost estimate for the main line
 - b. an invoice will be provided, which must be paid before material can be ordered or job can be scheduled
6. Clear a 15-foot-wide path along the installation route and have all corners marked
